Conditions

The Stud dog owner(s) will :-

1. Have the stud dog in good physical condition with all the necessary health certificates in place and available to see.
2. Have a copy of the KC registration documentation available, with history of previous generations.
3. Have the right to examine the bitch to ensure that she meets the studs requirements before a mating takes place.
4. Agree to payment terms and conditions before any mating takes place.
5. Sign the registration documentation upon the puppies being born and the contract being met in full.

The Dam owner(s) will :-

1. Have the dam in good physical condition with all the necessary health certificates in place and available to see.
2. Have a copy of the KC registration documentation available, with history of previous generations.
3. Have the right to examine the stud dog to ensure that he meets the dams requirements before a mating takes place.
4. Agree to meet the stud dogs payment terms and conditions.
5. Agree to keep the stud dog owner informed of progress throughout the pregnancy
